1 Tim 5:18

For the scripture saith, And, the laborer *is* worthy of his reward.

On October 29th, the Members of Compassionate Outreach Ministries came together collectively to honor and appreciate the gifts God has given us in the persons of Bishop and First Lady Dennison. The atmosphere was charged, the 320 praise dancers presented an amazing display of the power of God, and walking in our season. Pastor Barbara Jackson delivered a most powerful and timely Word. From the beginning of the service until the end, everything was just magnificent..

Bishop and First Lady Dennison always give us their very best. The Spirit of Excellence is in everything that they do for the people of God. God's favor has always been manifested in and through this Ministry. We are forever grateful for the Anointing on our Leaders and how it permeates throughout the Sanctuary. We are reminded in the book of Psalms 133:2 where a reference was made to the precious oil upon the head that ran down upon the beard, even Aaron's beard, that went down to the skirts of his garments. This scripture confirms that as the Anointing and the blessings are poured upon our Leaders, it can't help but run down and flow out to the Compassionate family as well. However, we are not serving for the fishes and the loaves but we have a genuine love for Bishop Larry J. and First Lady Margaret Dennison. We understand that we cannot repay them for all they have done for us, over the years, the prayers, the outpouring of the Word, the deliverance, the manifestation of God's healing power in the lives of so many, we could go on and on and still could not tell it all .

In the days and years to come, We decree and declare blessings upon Bishop and First Lady Dennison and their household, and we firmly believe that the **Best is Yet to Come!**

Thanksgiving Day Feeding at Grace Marketplace

Every year the C.O.M. Homeless Ministry prepares a full course feeding for the homeless population at Grace Marketplace. This event normally feeds anywhere between 150 up to 200 individuals. There is a full course meal consisting of turkey, dressing, green beans, yellow rice, cake and drinks. Everyone enjoys their meal while listening to selections by the C.O.M. Men's Ensemble.
